## **Business Directory Registration – 2012**

The business directory for the Boonah District has not been updated for many years and it is very out of date. The Boonah District Chamber of Commerce has started a project to generate an up to date and consolidated directory of all businesses in the Boonah District for our website – [www.boonah.org.au](http://www.boonah.org.au)

From time to time we are asked for information on the availability of certain businesses or services in the district, and if we don't know about you we cannot refer the enquiry to you. There are several significant events coming to the Boonah District over the next couple of years as well as needing to focus on increasing local business activity. We are also looking for local opportunities for the Commonwealth Games in 2018. The directory will be very helpful in providing local business with planning, promotions, networking, and general capability support to residents as well as visitors to the district.

Recently we needed to identify the different types of businesses and industries in the District, and we found that there are more than 100. That is a significant capability for a small region and we need to use this capability to leverage more internal and external business for the District. Registration is open to any business (farmer, trader, tradesman, service provider, B&B, etc) in the district with an ABN or an ACN, or equivalent registration.

If you want to be included in the directory will you please complete the form and return it by mail, or preferably, you can scan and email the details to the Secretary at the address above. If you have submitted a registration in the past, will you please re-submit it as this is a new consolidation.

Please ensure that you pass this registration form on to your business friends and colleagues in case they are unaware of it.

The Chamber will not on-forward or sell this contact list to any other organisation, business or individual. Its sole purpose is to upload it for use on our website.

**Adrian Stephan  
President
