

HOST A MOTORHOME PROGRAM

An opportunity for Boonah residents to become involved in the October 2012 Motorhome Rally

The Campervan and Motorhome Club of Australia have a unique program that will have motorhomes staying on blocks of land in and around Boonah prior to the 2012 Rally.

Any resident that has an area where a motorhome could park for a few days in October (leading up to the rally on the 15th) is invited to be part of the program.

What we need: As motorhomes are a variety of sizes from small delivery van size up to the length of a semi-trailer we need areas ranging from 6mtrs to 19mtrs. The host nominates the size they could accommodate.

All motorhomes that take part in the program will be totally self contained and will not require anything other than the area on which to park. No power. No water. Just a friendly host.

By being a host you will get to spend a few days with a motorhomer and be able to get an insight into their style of life. Should you be interested in becoming a host we ask you to complete the application form below and return it to:-
